NEBRASKA REGIONAL PROGRAMS FOR STUDENTS WHO ARE DEAF OR HARD OF HEARING

<http://nrpdhh.site.esu9.org>

*Provide professional development opportunities

*Act as a networking system

*Provide information about technology equipment and specialized equipment

*Promote cooperative agreements among service providers and equity for all children

The Nebraska Regional Programs were established by the Nebraska Department of Education to enhance the educational programs children who are Deaf or Hard of Hearing receive through their local schools (LEAs). The roles of the Nebraska Regional Programs are to:

*Create social and educational opportunities for students including summer educational experiences

*Provide access to role models who are Deaf or Hard of Hearing

*Act as a resource to families, students, and schools

*Encourage family involvement
